**PILLING:** ASTM D3511 – Class 4

**SEAM SLIPPAGE:** ASTM D4034 – Warp: 96 lbs / Fill: 105 lbs

**COUNTRY OF ORIGIN:** China

**NORMAL CARE INSTRUCTIONS:**

Spot clean only with water-based shampoo or foam upholstery cleaner. Do not use solvents to spot clean. Hot water extraction or steam cleaning is not a recommended cleaning method. When cleaning a spill, blot immediately to remove spilled material. Clean spots or stains from the outside to the middle of the affected area to prevent circling.

\*Multiple factors affect fabric durability and appearance retention, including end-user application and proper maintenance. Wyzenbeek results above 100,000 double rubs have not been shown to be an indicator of increased lifespan.

LebaTex recommends the end use of a product as specified on the spec sheet only. It is the customer's responsibility to determine code compliance if a product is to be used in a way other than its recommended end use. If a product is ultimately selected and installed in an application that it was not intended for, all liability falls to the customer.

All fabric subject to dye lot variations
