NORMAL CARE INSTRUCTIONS:

A regular soft brushing or careful vacuum cleaning will generally keep them looking bright and new for many seasons. If dry cleaning does become necessary, be sure to use a professional dry cleaner.

Do not iron the acrylic coated side of the fabric and only use a light cool iron on the fabric side, if necessary.

LebaTex recommends the end use of a product as specified on the spec sheet only. It is the customer's responsibility to determine code compliance if a product is to be used in a way other than its recommended end use. If a product is ultimately selected and installed in an application that it was not intended for, all liability falls to the customer.

All fabric subject to dye lot variations.
