SEAM SLIPPAGE: ASTM D434/D3597 – Warp: 34 lbs / Fill: 61 lbs

SOIL RESISTANCE: Polyester fabrics are inherently soil resistant. Please see care instructions below.

COUNTRY OF ORIGIN: China

NORMAL CARE INSTRUCTIONS: A regular soft brushing or careful vacuum cleaning will generally keep curtains looking bright and new for many seasons. If dry cleaning does become necessary, be sure to use a professional dry cleaner and direct them to use Stoddard or Perchloroethylene Method.

SEWING INSTRUCTIONS: A Teflon needle is recommended for reduction in visibility of pinholes. Use a loose tension to eliminate making oval shaped holes while sewing. Use a “French Seam” or “Over-Lap Stitch” to eliminate pinholes on seam.

LebaTex recommends the end use of a product as specified on the spec sheet only. It is the customer’s responsibility to determine code compliance if a product is to be used in a way other than its recommended end use. If a product is ultimately selected and installed in an application that it was not intended for, all liability falls to the customer.

All fabric subject to dye lot variations.
