**NORMAL CARE INSTRUCTIONS:** Spot clean only with a water-free cleaning solvent. Pretest a small, inconspicuous area before proceeding. Do not saturate. Do not use water. Pile fabrics may require brushing with a nonmetallic, stiff-bristle brush to restore appearance. Cushion covers should not be removed and dry cleaned. To prevent overall soiling frequent vacuuming or light brushing with a non-metallic, stiff-bristle brush to remove dust and grime is recommended. When cleaning a spill, blot immediately to remove spilled material. Clean spots or stains from the outside to the middle of the affected area to prevent circling. Overall cleaning by a professional furniture cleaning service is recommended.

LebaTex recommends the end use of a product as specified on the spec sheet only. It is the customer's responsibility to determine code compliance if a product is to be used in a way other than its recommended end use. If a product is ultimately selected and installed in an application that it was not intended for, all liability falls to the customer.
